## Pear

**PEAR FLAVORED VODKA**  
INFUSED WITH PALISADE, COLORADO PEARS

Colorado's Western Slope produces some of our Nation's finest fruits, and we always look forward to the summer harvest. Year after year we pressed these pears for cider and selfishly drank it all ourselves—sorry, but not really. The decision to make pear Brandy for the flavor base in this Vodka was born from the request of our favorite bartenders who had a niche to fill. The balance, beautiful pear notes, and mouth feel of this Vodka have made it an instant favorite.
