Breckenridge **HIGH PROOF BLEND**

Preserving the essence of our raw barrel character by bottling at a gripping 105 proof, our Distiller's High Proof Blend represents the whiskey as our master blenders experience it (for the true experience sip 20 samples at 8:00 AM, before coffee). Deep burnt umber hue with aromas of rich butter caramel and toasted almond paste. Medium body with a luscious vanilla sugar flavor and a long balanced finish.
